First Annual Production Sale

Archibald Farms Ltd.

Canard Farm

PORT WILLIAMS, NOVA SCOTIA

October 19th, 1955, 1 p. m.

CANARD ELIZA 13th
Junior and Grand Champion Female Maritime Winter Fair, 1954
Lot No. 3

A Personal Message From Mr. Archibald

Archibald Farms Ltd., welcome you, one and all to our first annual sale of pure bred Shorthorns.

This sale marks a new policy in the management of our herd and it is our intention to make the sale an annual event. If you are interested in seeing fine cattle we would like to see you at the sale whether you happen to be in the market this year or not.

This is not a sale where we pick out the best animals to keep for ourselves and offer for sale the ones left over.

We have gone over our herd carefully and selected a complete cross section to be sold so that many of our prize winning animals are included. We feel you will like them and want to come back for more next year.

DONALD ARCHIBALD,
President.

For reservations we suggest the Paramount Hotel, Wolfville N. S.

Lunch will be served at the Farm at 12 noon. The sale starts at 1 p. m.

Road signs will be placed to direct you to the Canard Farm where sale is to be held.

Mail bids can be sent direct to the Sale Managers or Mr. E. H. Stoltz, Box 469, Aurora, Ontario, and Mr. Reg. Gilbert, Department of Agriculture, Fredericton, N. B.

SENIOR HERD SIRE

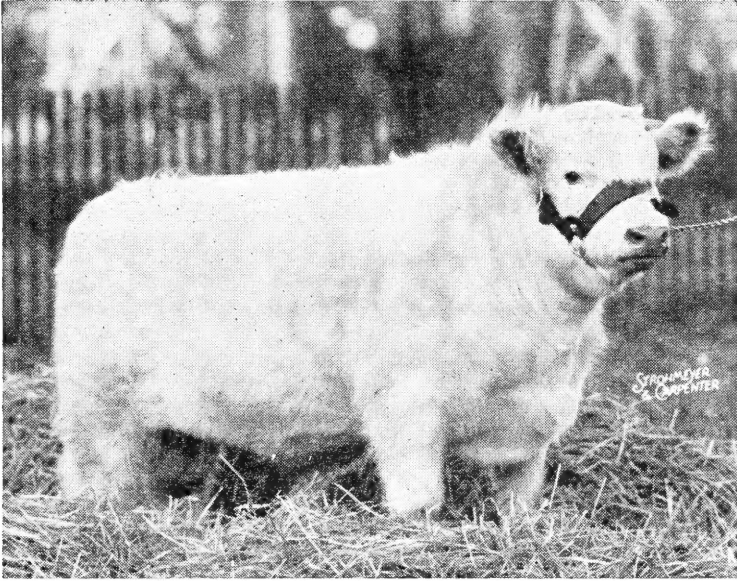

SCOTSDALE FAIRDEAL

Scotsdale Fairdeal by Scotsdale Aspiration, a Royal Winter Fair Grand Champion that sired two Grand Champions and the first prize Get of Sire at the Royal. His dam is Calrossie Augusta Isobel (imp.) one of the greatest producing cows in the Scotsdale herd and a full sister to Calrossie Claymore Tibbie that sold for 10,000 guineas at the 1954 Perth Sale.

Scotsdale Fairdeal is the sire of 29 animals offered in the sale.

JUNIOR HERD SIRE

SCOTSDALE GOLDEN HIGHLIGHT

Scotsdale Golden Highlight, a Junior Champion at both the C. N. E. and Royal 1954. His sire is Scotsdale Golden Road, a C. N. E. Grand Champion. His dam was Calrossie Hilda Rosewood, she produced Scotsdale Dragoon another Royal Winter Fair Grand Champion and Calrossie Atlantic Wave, a Royal Winter Fair Reserve Champion. The Scotsdale Fairdeal Heifers that are old enough for service have been bred to this bull and the balance of Heifers old enough have been bred to Scotsdale Fairdeal.

In our opinion Scotsdale Fairdeal has done a remarkable job in the Archibald herd, his progeny are typy and uniform. Golden Highlight should do as well or better.

Some of the better cattle offered in this sale will be entered in the Maritime Winter Fair and a few in the Royal Winter Fair. Should the purchaser wish to show them, they will be already entered.

Arrangements will be made to have export certificates available on short notice for any animals purchased by U. S. Buyers.

CANARD CHAMPION Imported in Dam

This is a thick, low down calf with lots of bone and faultless breeding.
There are few bulls any better.

His dam is a nice cow, with size and quality. There are not too many
cows in Canada by Calrossie Welcome. Best breeding bull alive. He will
be good enough to head a good herd, he is active and we have used him some.

Thick, low down, kind with lots of bone and good straight lines. Fit to use in any herd, has strong head and nice horn.

We purchased his dam in Grant Campbell's sale in 1952 for \$1800.00 and the same day her bull, about six months old, brought \$1275.00.

This bull has had no nurse cow but has been well grown and is in nice condition to give a good account of himself.
